PORTER, JOHN R. Research Professor of Pharma-cogonics and Cell Biology. B.S, 1975, Pittsburg State University; Ph.D, 1979, University of Montana; USDA Fellowship, 1979-1981, University of Nebraska; Summer Faculty Fellowship, 1990, NASA, Stennis Space Center; Summer Faculty Fellowship, 1991, NASA, Stennis Space Center. *Cell Biology; Natural Products Chemistry*; Anticancer chemistry/antimicrobial chemistry; astrobiology and drug discovery as a route to medically important plant compounds; antimicrobial natural products. TEL: (215) 596-8917 FAX: (215) 596-8710.
